HYDRO ENGINEERING, INC. JOB DESCRIPTION

POSITION: Engineering Designer/Drafter

GENERAL DESCRIPTION:

Hydro Engineering, Inc., currently has an opening for an Engineering Designer/Drafter. Responsibilities include: Creating solid models using Autodesk Inventor, detail drawings, assembly drawings, bills of materials, and other documentation using accepted methods and techniques; utilizing computer aided design software (AutoCAD) to create design documentation, including notes and manufacturing information. Utilizing established databases, and/or manufacturing software tools, ensuring work is in compliance with accepted standards; provide work status updates to senior personnel; perform basic department tasks related to copying, filing, and database entry, including classified and unclassified documentation control; respond to requests for information from the manufacturing and assembly teams; and participate in design review meetings.

Pay rate will be commensurate with successful candidate's competencies, education, and experience. This position typically requires an Associate's degree or higher in a Drafting or related discipline or higher plus one year of related experience, or an equivalent combination of education and experience. Experience in the following is required: Autodesk Inventor or equivalent, AutoCAD; Microsoft Office Programs; Product Data Management concepts or software tools and basic knowledge of mechanical design concepts. You must be a U.S. citizen to apply. Employment will require successful completion of a pre-employment drug screen.

REPORTS TO:

Engineering Department Manager

Interested applicants may send resumes by email to jobs@hydroblaster.com. All applicants receive equal consideration. No question is asked for the purpose of excluding any applicant due to race, creed, color, nationality, religion, age, sex, marital status, handicap, or veteran as prohibited by law or regulation. We are an Equal Opportunity Employer. It is our policy to hire only individuals authorized to work in the United States. In keeping with the Federal Immigration Reform and Control Act of 1986, all new hires will be required to produce documents establishing their identity and authorization to work in the U.S. at the time of hire. Additionally, all new hires will be required to complete a Federal I-9 Form.
