

# Hydrokleen

## Wastewater Treatment Systems

### Equipment/Vehicle Filtration/Recycling System

- Recycle 100% of all collected wash water
- Filters wash water to meet sewer discharge requirements
- Simple logic-controlled automatic operation
- Optional remote data logging
- Odor and pathogen free reclaim water

Because Hydrokleen systems are modular in design, we can determine the exact product for your requirements.

### We can filter whatever is in your wash water:

- Solids
- Heavy or Light Oils
- Emulsified Oils
- Metals
- Organics
