Model CMARS Chemical Mix and Rinse Station

The CMARS, Chemical Mix and Rinse Station takes concentrated chemical and mixes it to the required dilution. A pumping system applies mixed chemical to the surface thru a trigger gun and wand
A floor mount remote equipment module includes hangers for the chemical hose and chemical application gun/wand/nozzle.
A hanger is also provided for the rinse hose. The rinse hose/nozzle is not supplied.

Utility Requirements:
115 Volt 5 amp Single Phase Power
Water inlet supply (garden hose connection)

Standard equipment:

- Floor Mount Remote Equipment Module
- Chemical mix station
- Chemical application pump
- Trigger gun, wand and soap nozzle
- 50' soap application hose
